Page 2: Self Evaluation of the University Supervisor

Discussed my role as supervisor with the student teacher and clinical educator.

---

Developed a team approach by communicating frequently with the clinical educator and student teacher.

---

Demonstrated a sincere interest in the development of the student teacher.

---

Provided useful suggestions, materials, about teaching content.

---

Provided ideas and strategies to help improve instruction and make it more meaningful for students.

---

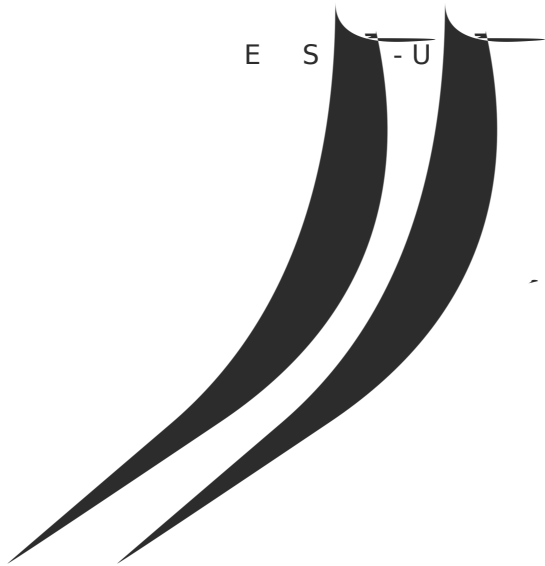

Helped the student teacher improve the classroom management abilities: organization, communication, climate setting, discussion, guidance, etc.

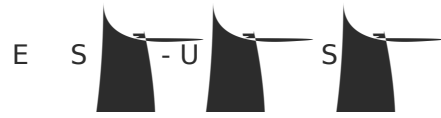

---

Provided timely and helpful feedback to the student teacher.

---

E S - U

Was available for consultation.

Facilitated the effective and appropriate use of various technologies to support teaching and learning.

---

Helped the student teacher improve the classroom management abilities: organization, communication, climate setting, discussion, guidance, etc.

---

Provided guidance about how to collaborate with colleagues and parents.

---

Completed observation/evaluation forms in a thoughtful and timely manner.

---

Brief comment about the overall quality of the support provided during the student teaching experience:

Very professional, knowledgeable and compassionate

---
