A screenshot of a Zoom meeting join screen. The background is dark purple. At the top, there is a blue Zoom logo and the text "This meeting is for authorized attendees only". Below this, a message reads "Click 'Sign In to Join' to sign into Zoom with an email authorized for joining this meeting". A red rectangular box highlights the "Sign In to Join" button. On the left side, there are partial views of other UI elements: a red button with the text "ve" and a grey area with the text "dress".
