

Checklist for Departmental Honors in physics

0) Obtain and read the key departmental honors in physics (aka Sr. Honors Thesis) documents available on the departmental Website (under Opportunities). This document contains all the pertinent info and it is the student's responsibility to make sure all requirements are adequately met.

An abbreviated (but not guaranteed complete-see item 0 above) set of requirements follows.

1) You must have a GPA of 3.5 or higher (overall an
